Universal Masking Tape & Foil is a professional 2-in-1 masking solution designed to protect large surfaces quickly and efficiently during painting and spraying applications.

- Combine a high-quality masking tape with a durable protective film
- It adheres securely to a wide range of surfaces, including walls, floors, metal, plastic, and furniture.
- Easy to apply and remove, it helps professionals save time while achieving clean, precise finishes.
- Suitable for indoor use, it removes cleanly for up to 7 days without leaving adhesive residue, ensuring reliable performance throughout the project.
- FSC™ certified, it is produced using paper sourced from responsibly managed forests.

Characteristics

Crêpe paper + Film
Acrylic glue

Colour

Beige

Sizes

2700mm / 1100mm / 1800 mm / 550mm
X25M X33M X33M X33M

Usage

For indoor use and removes cleanly without residue for up to 7 days. The indoor surface to be bonded must be clean, dry and free of oil. The actual performance of the product may vary depending on the application environment, substrate, and usage method. It is strongly recommended to conduct a trial application and confirm its suitability before large-scale use. Working temperature 5°C-25°C

Storage

The product should be stored in its original packaging in a cool, dry place, protected from direct sunlight, freezing, and high temperatures. The shelf life is 12 months under natural conditions of normal temperature and humidity.

Properties	Unit	Data range
